

**PHILIPS**

Invitation

# CoreVision staff super-user training course

**June 7, 2018**

## Location

**Hilton Boston/Woburn**  
2 Forbes Road  
Woburn, Massachusetts, 01801

## Presenters:

Philips IGT Devices Medical Education and  
System Product teams

## Objectives:

- Understand the varied elements and capabilities of CoreVision through didactic lecture and facilitated demonstration and live case webinar
- Improve competence and confidence of CoreVision users in the clinical utility and workflow of the technology
- Practice case workflow and buttonology using hands-on training on a simulator system

## Target Audience:

- Cath Lab staff members directly involved with PCI and coronary angiographic procedures from labs with the ability to utilize Philips CoreVision technology

Contact your Philips IGT Devices sales representative if you are interested in attending.
