

Category 1 questions: Clinical Studies

\$100 Question

Prompt	The objective of this study was to evaluate the safety and effectiveness of the FlowTrier system for use in the treatment of PE
Response	What is FLARE?
Acceptable response variations	<i>none</i>

\$200 Question

Prompt	The conclusion of this 2017 clinical study showed there was no difference in PTS rates between thrombolysis and anti-coagulation patient groups at 6 and 24 months.
Response	What is ATTRACT?
Acceptable response variations	<i>none</i>

\$300 Question

Prompt	This 2014 New England Journal of Medicine study included 1006 intermediate risk pulmonary embolism making it the largest sub-massive PE study.
Response	What is PEITHO?
Acceptable response variations	<i>none</i>

\$400 Question

Prompt	Author of a 2020 Vascular Medicine study that showed the same ICH rate of 1.9% between catheter directed lytics and systemic lytics in propensity matched populations.
Response	Who is Geller?
Acceptable response variations	<i>Who is Giri , Bram Geller, Jay Giri</i>

\$500 Question

Prompt	A 1999 study that showed an overall mortality rate of 17.4% at 90-days for massive PE patients
Response	What is ICOPER?
Acceptable response variations	

Category 2 questions: FlowTrievers

\$100 Question

Prompt	The OD French size to Trier24
Response	What is 24 French
Acceptable response variations	24

\$200 Question

Prompt	Target ACT range for FlowTrievers procedure
Response	What is 250-300?
Acceptable response variations	250. 300

\$300 Question

Prompt	Rapid aspiration technique using large bore syringe
Response	What is Whoosh?
Acceptable response variations	

\$400 Question

Prompt	Vessel diameter range of the large FlowTrievers disc
Response	What is 15-18 mm?
Acceptable response variations	

\$500 Question

Prompt	Usable length for Trier20 and Trier24
Response	What is 95 cm?
Acceptable response variations	

Category 3 questions: ClotTrier

\$100 Question

Prompt	The two sheath sizes of ClotTrier Sheath
Response	What are 13 Fr and 16 Fr
Acceptable response variations	

\$200 Question

Prompt	This type of venous access is highly recommended
Response	What is ultrasound?
Acceptable response variations	

\$300 Question

Prompt	Presentation of the first 50 patients from this registry was done by Dr. Dexter at the 2019 VIVA conference
Response	What is CLOUT?
Acceptable response variations	

\$400 Question

Prompt	The diameter of the coring element
Response	What is 16 mm?
Acceptable response variations	

\$500 Question

Prompt	A technique that can be used when an IVC filter is in place
Response	What is Up and Over?
Acceptable response variations	<i>Body floss, tunneling</i>

Category 4 questions: Competition

\$100 Question

Prompt	The maker of the Indigo aspiration system
Response	Who is Penumbra?
Acceptable response variations	

\$200 Question

Prompt	Ultrasound guided catheter directed thrombolysis for the treatment of PE
Response	What is EKOS?
Acceptable response variations	

\$300 Question

Prompt	Often prescribed by non-interventionalist for the treatment of VTE
Response	What is Anticoagulation?
Acceptable response variations	<i>Lovenonx, Eliquis, Xarelto, DOAC</i>

\$400 Question

Prompt	The name of this DVT catheter is used with the AngioJet system
Response	What is ZelanteDVT?
Acceptable response variations	<i>Zelante</i>

\$500 Question

Prompt	This device requires a perfusionist to assist with the procedure
Response	What is AngioVac?
Acceptable response variations	<i>AngioVac system, circuit</i>

Category 5 questions: Variety

\$100 Question

Prompt	Known as the Queen of Clot Warrior Academy
Response	Who is Robin?
Acceptable response variations	

\$200 Question

Prompt	This California city is home to Inari's headquarters
Response	What is Irvine?
Acceptable response variations	

\$300 Question

Prompt	These OhioHealth interventional cardiologists believe the ATTACT study design was not just bad, it was baaad!
Response	Who are Drs. Huff and Jolly
Acceptable response variations	<i>Chris Huff and Mike Jolly</i>

\$400 Question

Prompt	This diameter ratio can be a good indication of the severity of PE
Response	What is RV/LV?
Acceptable response variations	

\$500 Question

Prompt	One of his better-known quotes is "if you don't remove clot, bad shit happens"
Response	Who is Bill Hoffman?
Acceptable response variations
