

A photograph of three healthcare professionals in a clinical setting. Two men and one woman are gathered around a tablet, looking at the screen with interest. The man on the left is wearing blue scrubs and has a friendly expression. The woman in the center is also in blue scrubs and is looking intently at the tablet. The man on the right is wearing a light blue button-down shirt and is pointing at the screen. The background is a soft-focus clinical environment with blue and white tones.

PHILIPS

Image Guided Therapy

Driving educational excellence

Philips ELITE Academy is here to support you through your clinical pathway. Take your interest in Philips' innovative technology and translate it to applicable skills for appropriate clinical applications.

We deliver **high-value, real-time, innovative cardiovascular, peripheral vascular and EP educational programs** to meet your diverse educational needs.

- Procedural observations and proctorships with KOLs located throughout the country
- Remote on-demand education with a variety of resources to advance knowledge and awareness
